Product Notice: 08

Lifecycle Support & Service Notice for Digital Vehicular Repeater Systems (DVRS)

Futurecom Systems Group, ULC will be phasing out technical support and repair services for DVRS - Digital Vehicular Repeater Systems units based on years of service.

Support and service will end 15 years after a DVRS unit has shipped from Futurecom.

The manufacture date of the DVRS will determine if support could be provided.

DVRS serial numbers beginning with '05', '06' and '07' will no longer be supported after the following dates:

For serial numbers beginning with '05' Support Ends: 2020-12-31

For serial numbers beginning with '06' Support Ends: 2021-12-31

For serial numbers beginning with '07' Support Ends: 2022-12-31

Contact Futurecom for product inquiries.
